Use attached form- NOT IHSA SPORTS FORM

Dear Parents,

Your child will be entering the 6th grade during the next school year, 2024-2025. The State of Illinois requires all incoming 6th grade students to have a physical exam and IDPH immunizations prior to entrance into the 6th grade. A physical can be completed up to a year before the start of school. A Dental Exam completed any time after December 15, 2023 will be accepted.

Physical Exam must have the following:

- State of Illinois Certificate of Health Exam form (attached)
- Immunizations as required by the Illinois Dept. of Public Health (IDPH) including: DTP and Polio series, 2 Varicella, 2 MMR, 3 Hep B, 1 Tdap booster and 1 Meningococcal on or after 11th birthday.
- Your child likely has had **most** of the above shots in the past. Most incoming 6th graders need Tdap and Meningococcal. Please turn in a complete immunization record.
- Parent section completed, signed and dated
- Doctor section completed, signed and dated

Completed physical/immunizations are to be presented to the school office by October 15, 2024. STUDENTS WILL NOT BE ALLOWED TO ATTEND SCHOOL ON OCTOBER 15, 2024 UNTIL THE PHYSICAL/IMMUNIZATIONS ARE RECEIVED BY THE SCHOOL.

An appointment scheduled after October 15, WILL NOT allow a student to remain in school.

Have the doctor check the "interscholastic sports" box on the back side of the school physical form, this will allow your student to participate in Wesclin sports.

Dental Exam: must have one of the following completed: DUE May 1, 2025

- State of Illinois, Proof of School Dental Examination Form (attached)- no other form will be accepted
- Wesclin District plans to offer an in-school dental clinic during the 2024-25 school year. This clinic is free to all parents and is open to all students in Wesclin District. Information about the dental clinic will be available at school registration.

If you have any questions, please let me know.
