Dear Parents and Guardians,

Your child is entering 2nd grade in August 2022. The State of Illinois requires all incoming 2nd grade students to have a dental examination (form attached) completed. This dental exam can be done any time after December 15, 2021.

This completed form must be turned into your child's office no later than May 15th, 2023.

Wesclin District plans to offer an in-school dental clinic during the 2022-23 school year. **This dental clinic is free of charge to all parents, will satisfy the dental exam requirement, and is open to all students in the Wesclin District.** Permission forms will be available in the office and sent home once the clinic is scheduled for the 2022-23 school year. If you have any questions, please feel free to email or call me at your child's school.
